ABOUT THE PROJECT:

The project “Strengthening democratic resilience of key public institutions in Ukraine” is being implemented by the International Centre for Policy Studies (ICPS) in partnership with the Institute for Economic and Social Reforms in Slovakia (INEKO) and is financially supported by the Embassy of the United States in Ukraine.

The project aims to improve the efficiency of state institutions, administration, self-government and civil society in the area of creation and oversight of regional policies, administration of state-owned enterprises, and monitoring of budgets and information openness of local authorities in Ukraine.

PURPOSE OF THE EVENT:

To present an updated financial health rating of the 50 largest state-owned enterprises as well as financial health ratings of the largest cities and regions of Ukraine.

ISSUES TO BE DISCUSSED:

1. Presentation of the financial health ratings of state enterprises, cities and regions of Ukraine for 2019.
2. Presentation of the Slovak experience on financial health of local governments.
3. The position of public authorities and the public on awareness of current issues of improving the financial health of local budgets and state enterprises in Ukraine.
